C. Students Plans to Help Bond Election

ck of interest evinced in t election, at which the , "Shall an independent College District be estab- was submitted to pop- te, was disappointing to ho have worked so dil- on this project. However, votes were cast in this to establish an independ- or College District and to the calling of a second at which the voting pop- of Tyler will decide or not to vote bonds to the building of a new nior College plant.

this second election in- finances, the people of ll desire to know the ad- of a new Junior College. In order to acquaint the of Tyler with the im- and necessity of this the Sophomore class of nior College has organiz- the leadership of Misses Brandenburg and Adele n, faculty sponsors, and y, General Chairman, to he cause of a new Junior plant in Tyler.

er, not only the Sopho- ss, but the whole student ould support this move an active interest in the of this second election. rts of every student will d to acquaint the citizens with the importance of ject. This election, or winning this election, is ty if our school is to be- en greater. In fact, the of this election will be a point in the history of nior College; this elec- decide whether T.J.C. is n in the same groove in has traveled since its ment or whether T.J.C. ow as the City of Tyler

Junior College is your lake your school a better Devote your full efforts ng a victory in this all- t bond election.

Swanson Award Is Offered Again

Work Has Begun In Several Classes

F. G. Swanson, Tylerite, a member of the state legislature, has again offered $100 in prizes to the four Tyler Junior College students who submit the best essays on an analysis of some aspect of state, local, or national government.

Rules of the contest will be drawn up by a committee composed of faculty members of the college, including Miss Allene Brandenburg, English instructor in the college and chairman of the committee, Mrs. S. T. Jones, college government instructor, and Mrs. Russell Flaherty, instructor in the commercial department. Although the complete set of rules has not been made, it has been announced that $40 will go for first prize, $30 for second prize, $20 for third, and $10 for fourth place.

The contest was originated by Swanson, who believes that students should be more conscious of the local and national government agencies which are regulated by such statutes.

Swanson has long been interested in junior colleges, having helped found the Wichita Falls Junior College.

Last year, the awards were given to four students: Eleanor Allen, Elsie Manning, Ruth Latta, and Mike O'Connor. The fact is that because the four essays were so nearly of the same quality, prize money was divided equally among the four.

The faculty members are particularly eager for every student to enter; first, to gain valuable experience in research and writing, and second, to acquaint themselves with problems in the field of government and economics.

Interest is being stimulated in classes by Mrs. Jones and Miss Brandenburg. Many students have already begun to browse through books and magazines in quest of their subject for this paper.

ficers in the picture are (left to right, first row) Sarah Secretary; Christine Roberts, Presidents; Bettie Lukenbill, ident. (Second row) Marjorie Richards, Scrapbook Keeper; rue, Program Chairman; and Jacqueline Tenevy, Reporter.

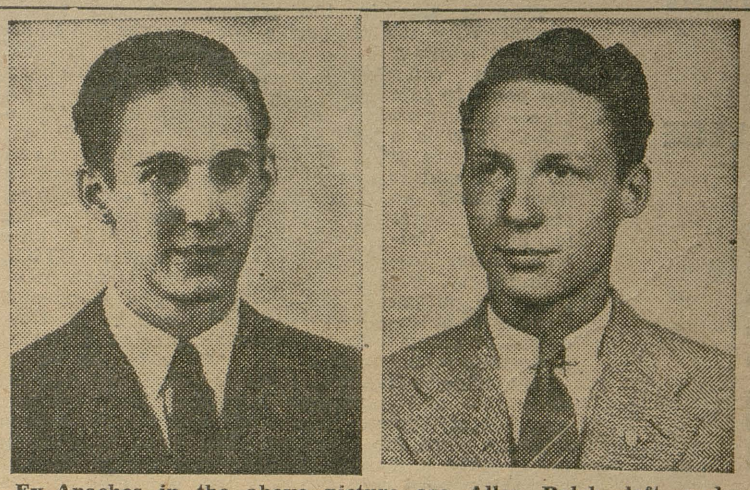
Bundy, former Pres- ained the dual purpose of A.K.K.—to promote social activities for T.J.C. girls and to carry out some worthy project. She stated that during the previous year, one of the projects undertaken by A.K.K. was to contribute flowers to the USO and to hospitals at Camp Fannin. Another object of the club last year was to familiarize the members with setting tables properly, selecting good patterns of silverware and china, and arranging flowers.

Mary Lee Dugan introduced all the new members.

Cherie Grimes related the activities for the previous year, telling about the brunch, the breakfast at City Lake, and the Country Club dinner, at which all A.K.K. members were guests of Mr. D. K. Caldwell. An outline of plans for the coming year was submitted to the members present.

Cokes and cheese cookies were served after the business meeting. Those responsible for these refreshments were Miss Elizabeth Bryarly, faculty sponsor, Francine Bundy, Sybil Hogue, Jean Kay, and Anna Boynton.

A.K.K. is off to good start for another successful year.



Ex-Apaches in the above picture are Allen Balch, left, and Winifred Buckingham, right.

Date For Election Of Student Officers Is Announced

At assembly on September 25, Dr. Jenkins announced that elections for student body officers will be held on October 9, 1945.

Contrary to previous custom, this year, four officers—president, vice - president, secretary, and treasurer—will be elected for each class on October 9. Then, at a later election, the president and vice-president of the entire student body will be chosen.

The members of the Freshman and Sophomore classes are urged to give this matter great consideration as the success of the school year, socially, depends on the student leaders. Voters should select candidates for their sense of responsibility, loyalty to school and its traditions, ability as leaders, and initiative.

"A lively competition adds flavor to the election," one of the Sophomores remarked, "let's have a number of candidates and work to elect the best."

Music Instructor Joins Faculty Of T.H.S., T.J.C.

After a year with no music instructor, Tyler Junior College and Tyler High School are indeed fortunate to have Mr. Clyde L. Wolford in the music department.

Mr. Wolford, recently discharged from the U.S. Army, in which he was a First Sergeant, was in the Army for three years.

Mr. Wolford's home town is Pittsburgh, Pennsylvania, and he attended the University of Pittsburgh. Then he studied voice under Mr. Rollin Pease, head of Voice Department at the University of Arizona and also under Dr. George Tenney of Chicago, the man who directed big Festival Choirs at Soldier Field.

Before entering Armed Force, Mr. Wolford was doing concert singing in Florida. When asked why he decided to become a resident of Tyler, Texas, Mr. Wolford said, "Tyler is a progressive town, and its future has great possibilities. Also, I think there is a great need here in the field of vocal music, which would be a challenge to any music instructor."

In addition to his contribution to the vocal development of the younger citizens of Tyler, Mr. Wolford also contributes his talent to the First Christian Church of Tyler.

Eds, Co-Eds Learn 'The War Chant' In Tues. Assembly

"Why, we sang whole lots better than we did last year!" "I think the last line should be sung slowly!" "But my voice won't go that high—." "I like it." Yes, the time has come for another group of Apaches to learn our school song, **Apache War Chant.**

Mr. Wolford, music instructor in Tyler High School and Junior College, taught the new members of the student body the tune to our school song at assembly on September 25. Janell Welch accompanied him on the piano, while Bettie Jane Lukenbill beat the tom-tom.

Everyone agreed that the Apaches sang their song very well for the first time. Although at first there was disagreement as to the tune on certain lines, the students soon overcame that obstacle, and sang their song with real pride.

Former Apaches Enter Annapolis

Balch And Buckingham Represent Teejaycee

T.J.C. Boys have always been noted to be outstanding. This fact has been proven by the success they have made in all branches of the armed forces.

Two ex-Apaches, Allan Balch and Winifred Buckingham, are helping to uphold the standards other boys of T.J.C. have set before them.

While attending T.J.C., Allen and Winifred were excellent students both in studies and in sports. They played on the basketball team, and helped our team win several games. Both were very popular among the students also. Allen was noted "most likely to succeed" and Winifred was voted "brainiest boy."

It is the ambition of almost every boy during his lifetime to get an appointment to Annapolis. Winifred and Allen were no exceptions. So last spring Lindley Beckworth, a noted congressman of this district, secured permission for them to take the competitive examination. Allen and Winifred ranked highest in this district, and went to Annapolis last July. T.J.C. students have had several reports from them and they are doing well in their classwork.

Here's luck to you, Balch and Buckingham! You certainly deserve it.

Photographer To Take Pictures On Sept. 28

College students who desire to do so may have individual photos taken at ten cents per print, twenty cents for three prints, and thirty cents for six prints. If you desire yours taken, go to the Pow-ow office between 10 and 12 a.m., Friday, September 28.

It is recommended that all students avail themselves of this opportunity to have their pictures made. If all of the student body comply, these pictures will be valuable throughout the school year for use by organizations, for exchanging with others, and for use in the Pow-Wow.

Apaches Plan First Pow-Wow

New Tribesmen To Be Honored At State Park

There is plenty of heap big fun planned for all T.J.C. Apaches at a big pow-wow (picnic to you, papoose) to be held this Thursday, at Tyler State Park, second home of the Apache Tribe during the Indian Summer.

You see, each 'n every autumn, all the chiefs, braves, and squaws, and papooses gather at the old reservation for heap big journey to land of lakes, trees, boats, picnic tables, and rocks (Tyler State Park—now what made you think we were going to the Rocky Mountains?)

All the redskins make plans many moons ahead for this big hunt for the best game of all—fun. All the squaws, braves, papooses and chiefs have to do is bring themselves, dressed in picnic paint (now don't take this too literally) and their gasoline horses on four wheels. (Now any true Apache ought to be able to translate **that!**) In case any the Chiefs-of-the-Wigwam refuse to let an honest Injun have the horse-on-wheels, that papoose just meets at the reservation anyway, and rides on the horse of some more fortunate Apache, who has more understanding Chiefs - of - the-Wigwam. Or maybe that Apache just has his driver's license! Ug!

The Apaches don't even worry about the dried corn and jerky (now don't let this frighten you: we'll really have the kind of food that hep Apaches care for)—that's all furnished by the Council Chiefs. They don't need a bit of wampum? moolah? greenbacks? Anyway, they didn't need any.

Now since all you Apaches know the tradition of this pow-wow, would you like to know what's going to happen at this particular picnic?

Now listen, you redskins, be at the reservation this Thursday afternoon, September 27, 1945, at 5:15—No later, medicine men will frown on you. **All** the horses will leave at 5:30, on the dot..

Now, you'll travel as the crow flies (north, this time) for about 10 miles until you arrive at two big stones with Indian signs on them that look like this TYLER STATE PARK. Turn to left, follow honorable (hey, how did that Jap get in this article!?!) nose until you see huge council fire with lots of tables around it. Stop here, and tie your trusty steeds to a tree. From then on, the place is yours, Injun—the sky's the limit —for fun, food, and festivities.

Are you coming, Apaches? We want you to——

T. J. C. Welcomes Former Art Student

Have you noticed the bright, attractive posters on the bulletin boards the last week? Perhaps there was something familiar about those posters, because a student, whom you all know, has just entered school, and consented to make the posters. Tyler Junior College is glad to have Sarah Nell Burnett back in its student body, not only for her artistic ability, but because she contributes to school activities.

Clock Moves Back to Old Schedule

There will be an important change in time schedule on Sept. 30, when all clocks will be changed. To meet this change, Tyler Junior College schedule will be changed as shown below. Please note the present schedule and the new Oct. 1 schedule.

	PERIOD					
Present Schedule	A	1	2	3	4	5
	8:35	9:35	10:35	11:35	1:15	2:15
	9:34	10:35	11:35	12:35	2:15	3:15
New Schedule Oct. 1						
	8:00	9:00	10:00	11:00	12:35	1:35
	9:00	10:00	11:00	12:00	1:35	2:35

Don't let this schedule slip up on you next Monday, October 1!

Lions Scalp Indians

The Tyler Lions made their initial appearance in their home stadium Friday, September 21, by scalping the Jacksonville Indians 27-0. The game was all on even terms for the first half with no spectacular or thrilling action. But when Coach Chad Davidson's charges came back for the last half, they came back to get the game. Things began to happen when Walt Bardwell, Tyler quarterback,(threw a beautiful pass to Andy Westbrook, which was good for 21 yards and six points. Bardwell then converted and Tyler led 7-0. A few minutes later the Tyler line broke through, and knocked the ball from Trayilla's hands and Vinson Shelton gathered the ball under his arm and ran 35 yards for another touchdown. Bardwell's try for the extra point was low, but an offside penalty against Jacksonville gave Bardwell another chance. This was good, making the score 14-0. In the fourth quarter, Bardwell again unlimbered his passing arm, this time passing to Layden Hitchcock from the 11 and Hitchcock went over for six more points. Bardwell again converted, making the score 21-0. At this point, Vinson Shelton moved to the quarterback slot, from tackle. Passing was hitting Jacksonville defense hard and Shelton passed to Hitchcock from the 21 and then Shelton's try for the extra point was wide, making the score 27-0. The scoreboard remained at these figures and the final score was Tyler 27, Jacksonville 0.

Tyler journeys to Henderson Friday night to open the District 11-AA official play. This is Henderson's first year in District 11, having changed from District 12 only this year.

We noticed a bar of soap lying in the halls of Tyler Junior College. For awhile, we thought it was the joke of a prankster, who perhaps wanted to see someone slip and fall. But then, a sudden thought flashed through our thick heads! Was someone leaving a not-so-gentle hint?—suggesting a "clean-up campaign"?

Las Mas Reorganizes And Elects Officers For 1945-46 Season

On Monday night, September 17, Las Mascaras Dramatic Club held its first meeting of the year to elect officers. Mary Wilbanks, the former president, presided until the present officers were elected. They are as follows:

President—Julia Quinn.

Vice-president—Mary Jo McCullough.

Secretary—Bettie Lukenbill.

Treasurer—Janell Welch.

Social Chairman — Christine Roberts.

Publicity chairman — Jacob Kay.

Scrapbook Keepers — Mary Wherry, Joyce Eby.

Miss Mildred Howell, sponsor of the organization, announced that at the present time there is $62.00 in the treasury. It was decided that each member would pay dues of twenty-five cents. Lawtie Mae Weaver presented a humorous monologue. Refreshments were served and the meeting was adjourned. The committees responsible for the first meeting were: Reception Committee; Janell Welch and Mary Jo McCullough, Decoration Committee; Francine Bundy and Martha Ann Parker. Refreshment Committee; Joyce Eby and Mary Lee Dugan. Program Committee; Julia Quinn and Dorothy Stephens.

Don't miss the fun!

Do come to the T.J.C. Annual Fall Picnic!

Don't be late!

Do be at the Junior College Building at 5:15 P.M. on this Thursday afternoon, September 27.
